SIKA
WALLPAPER

SIKA WALLPAPER PANELS

Diagram showing the measurements of standard panels. Printed stars are supplied separately to apply wherever you like (position with blue tack and stick with paste or Pritt).

SCALING PANELS

- panels can be reduced or enlarged to fit the height of a room
- customer needs to be aware that when height is changed, the width will also change which will affect final quantity needed
- any questions do not hesitate to ask info@lewisandwood.com
